

7 Hectares Rosé 2020 AOC Bordeaux Rosé – Organic Wine

An exceptionally refreshing summer rosé

In 2009, we decided to go further with our commitment to the environment and to our clients, with the dedication of 7 hectares of our vineyard to organic viticulture. Wine coming from these parcels is characterised by its purity and very expressive fresh fruit aromas, making it perfect for pairing with roasted meat or vegetables.

Tasting note

“Salmon pink colour with grapefruit and strawberry notes on the nose. The palate is generously fruited, full of sweet strawberries, nectarine juice and citrusy lemon notes. This is a lovely style of rosé with enough mouthwatering acidity to keep it juicy and refreshing – wonderfully balanced. A good bottle to share as apéritif or with food. Organic.”
