

7 Hectares Rouge 2019 AOC Bordeaux - Organic Wine

A young and juicy organic merlot

In 2009, we decided to go further with our commitment to the environment and to our clients, with the dedication of 7 hectares of our vineyard to organic viticulture. Wine coming from these parcels is characterised by its purity and very expressive fresh fruit aromas, making it perfect for pairing with roasted meat or vegetables.

Tasting note

“This Bordeaux has summery, well placed fruit, with cradling gentle tannins and an acidity that is fresh rather than biting. Some tannic hold and a smooth texture, there is potential here.”
