

Parcelles – Sans Sulfites Ajoutés 2022

AOC Bordeaux – **Organic wine without added SO2**

A fresh and fruity Bordeaux

We cultivate our parcels organically since 2010. Today, 17 hectares of our vineyard are certified organic, and we are converting 12 additional hectares. Wine coming from our organic parcels is characterised by its purity and very expressive fresh fruit aromas, making it perfect for pairing with roasted meat or vegetables.

Tasting note

“A young and well-balanced Bordeaux with ripe red fruit aromas. Fresh and fruity, this wine is a great match for a light meal, chicken or as an aperitif to share with friends and family”
