

CHÂTEAU DE LISENNES

MALBEC 2025

AOC Bordeaux – **Organic wine**

A 100% Malbec, light and very aromatic

Our vineyards have been cultivated organically since 2010. Today, we practice mixed farming (chickens, goats, honey, etc.). Château de Lisennes is a family-owned estate located just 12 km east of Bordeaux, on the hills above Tresses. Predominantly clay-based, our terroirs allow us to produce fresh and elegant wines.

Tasting note

“Our young Malbec vines are located on a hilltop, surrounded by a forest, sheltered from the heat. This allows us to produce a naturally light (10,5%) and fresh wine – a profile that is quite unusual for the region. On the nose and palate, it is a rather typical Malbec with hints of spices, plum, and black cherries. A lovely wine to serve as an aperitif or with grilled meat.”

Technical information

Varietals: 100% Malbec

Alcohol Content: 10,5%

Vine age: 5 years | **Soil type:** Clay-limestone

Vinification: Stainless thermoregulated steel vats

Cellaring Potential: 2026 – 2029

Pair with: Aperitif, white meat, cheese platter...

Ideal serving temperature: 16°C
